

Blades and sled inserts are used to add custom grooves to EIFS projects. All blades and inserts are priced and ordered per piece. You can choose from Angled, Beveled, Square and "V" groove shapes. *Custom Blades & Inserts are non-returnable.* Complete the form below and submit to Demand Products by fax to **888-534-8383** or email to sales@demandproducts.com. A member of our Customer Sales Support Team will respond with your order confirmation.
